Academy encourages diversity and inclusion and requires that all team members and Vendors interact fairly, equally, and respectfully.

No Discrimination or Harassment

Academy requires Vendors to comply with all applicable laws (including U.S. and local laws) regarding discrimination and harassment in employment and business practices. Vendors are expected to maintain a discrimination and harassment-free work and shopping place and employ workers on the basis of their ability to do the job, not on the basis of their race, color, religion, sex, age, national origin or any other characteristic protected by law.

Vendors must ensure that workers are compensated in accordance with all applicable laws (including U.S. and local laws) and fairly for all hours worked and at rates that meet all applicable laws and industry standards, including hourly wage rates, overtime and any incentive (or piece) rates, etc. All other types of legally mandated benefits must be provided as required by applicable laws, including, but not limited to, as applicable, other paid leave, health benefits, maternity leave, parental leave, family care leave, and child care benefits. Vendors must not use involuntary labor of any kind, including prison labor, debt bondage, forced labor, or labor that is required as a means of political coercion or as punishment for holding or for peacefully expressing political views.

No Underage Labor / Visitors & Juvenile Workers

Academy does not tolerate the use of child or underage labor. Vendors must comply with all applicable minimum working age laws (including U.S. and local laws) and, notwithstanding the foregoing, must not employ or use persons younger than the age of 14, for any reason, regardless of the laws, regulations, customs or guidelines of the country of origin.

Vendors must maintain official documentation for every worker that verifies their date of birth. In countries where official government documents are not available to confirm the exact date of birth, Vendors must confirm age using an appropriate and reliable assessment method.

Hazardous work includes work that, by its nature, or the circumstances in which it is carried out, presents a substantial possibility of harm to the health or safety of the worker.

Juvenile workers must be allowed to complete any compulsory education required by local law in the country of origin. Vendors must not allow any juveniles under the age of 14 to be present in a working area, unless that juvenile is in an appropriate child care facility.

Health & Safety

Vendors must provide workers and customers with safe, clean, and healthy work, shopping, and residential facilities that comply with all applicable laws (including U.S. and local laws) and minimize occupational hazards.

Examples include holiday gift baskets, vendor trinkets, or flowers. While gift giving may be customary for holiday seasons or other occasions, there is no expectation or requirement to give gifts to team members.

Academy's team members may accept certain business entertainment from Vendors where the purpose is business-related and the team member receives the appropriate Academy approvals in advance.

If a former Academy team member goes to work for a current or prospective Vendor, the former Academy team member should not work directly or indirectly on Academy's account in the same line of business in which the team member worked for Academy for a period of one (1) year after the individual's employment with Academy ended.
